Expedition to Brazil

Please join the Saugus River Watershed Council and friends for our annual meeting and delicious buffet dinner at the Hilltop Steakhouse, Route 1 South, Saugus.

Keynote Presentation: SRWC Board Member Denise Butler will share photos and stories from her expedition to the Pantanal in Brazil as a volunteer for Earthwatch Institute this past summer. The Pantanal, which is 24 times the size of the Florida Everglades, harbors the most diverse assemblage of tropical wildlife in South America. Denise will discuss global conservation efforts to protect birds and bats, and highlight the region's unique wildlife such as capybaras, macaws, anteaters, storks, jaguars and much more.

Please join us to honor this year's River Stewardship Award recipients: Ed Murray of Friends of Breakheart Reservation, Polly Bradley of Safer Waters in Massachusetts (SWIM), and Kathryn Glenn of the Massachusetts Office of Coastal Zone Management. The annual meeting will also include a brief update about the Council's accomplishments during 2009 and election of officers and board members. This event is open to the general public. RSVP early to reserve space.
