

Rumney Marsh Scavenger Hunt

Name(s): _____

Please don't take anything from the marsh, just check off items as you find them. You might not find everything on the list. On the back, write down or draw pictures of other plants and animals you find. Use the reference materials to try and identify them.

_____ Sea Lavender

_____ Glasswort

_____ Seaside
Goldenrod

_____ Snowy Egret

_____ Phragmites

_____ Mummichog

_____ Sea Gull

_____ Salt Meadow Hay
(shorter grass set back
from the edge of the
river)

_____ Cord Grass
(tall grass found near
the river's edge)

_____ Crab

_____ Salt Marsh Panne (small
enclosed pool of salt water)

_____ Wrack Line (place where
high tide leaves debris)

Describe or draw other plants and animals you find. Use reference materials to try and identify them.

Bonus:

List one plant, animal or other item found in each zone of the marsh.

Marsh Border: _____

High Marsh: _____

Low Marsh: _____
